

Week 1 01-09-17 to 09-09-17	Caught this week Salmon = 4 Grilse = 11 Sea Trout = 1 16 fish caught over the period. The biggest fish being a 16lb Salmon caught on the Luther Pool by Mr M McDougal from Falkirk. The Grilse now seem to be making an appearance with 11 recorded for the period.
Week 2 10-09-17 to 15-09-17	Caught this week Salmon = 8 Grilse = 11 Sea Trout = 1 11 Grilse again this week hopefully the trend will continue given the rise in water. Spinning methods with the usual lures doing the damage ie Flying C being by far the best.
Week 3 17-09-17 to 22-09-17	Caught this week Salmon = 12 Grilse = 17 Sea Trout = 0 17 Grilse this week the trend continues. Spinning methods with the usual lures again doing the damage, though Mr M West from Fishcross had a 12-1/2lb fish from the Blue Stone on a Puppy Dog Fly and Mr R Saunders had a 10lb Salmon and a 4lb Grilse on a Purple and Yellow Tube Fly. Mr C Halladay had a 14lb and a 15lb fish on a Snelda and Mr R McDowell from Ballymena had a 16lb fish on a Bann Special
Week 4 24-09-17 to 29-09-17	Caught this week Salmon = 13 Grilse = 8 Sea Trout = 2 Amazing what a rise in water levels can do, a great run of fish over the past 2 weeks. Largest fish this week was a 20lb Salmon caught by Mr J McClarence from Northern Ireland. Mr S Mason from Falkirk had a good day catching 2 Salmon of 11lb and 9lbs and a Seatrout of 2-1/2lbs, all of which were returned, all the fish caught for the week apart from 2 were returned.
